

**Information Sheet
Quoin Stones**

Information Thorverton Stone requires to manufacture a quoin stone

Length of long and short sides for return quoins.

Height of the stones.

Thickness of the stones.

Type of quoin required.

Useful Information

Our standard quoins are 100mm thick, but this can be altered if required.

We also make a thin 'cladding' non structural quoin to be built onto the wall rather than into it, please ask for details.

The table below gives typical quoin sizes, but any dimensions can be manufactured.
