

Return Quoin Stones with Chamfered edge

Standard chamfered return quoins are built into brick walls, forming part of the structure. - see our cladding quoins if you intend to fix the stones to block-work and render up to them.

Leg and height dimensions usually coincide with brick sizes
For Example:
typical leg lengths 465mm & 240mm and typical height 215mm or 290mm

Information we'll need to make your order:

- Both leg lengths and height dimensions
- The overall quantity you require
